

We accept for publication in the periodical scientific and methodological electronic journal "Koncept" previously unpublished articles, materials and methodological works written in Russian that include original research results in the following fields of science:

- 5.8. Pedagogy (from 06.06.2017 included in the List of Higher Attestation Commission HAC);
- 5.3. Psychology.

Publication Order

The volume of publication is **5–10 pages** of typewritten text, drawn up in accordance with the technical requirements of the Concept magazine (they can be found on the journal's website **www.e-koncept.ru**).

Materials are accepted only via the author's personal account on the journal's website.

All incoming articles undergo an internal check for compliance with the subject of the journal and the novelty of the results, they are checked for borrowing from open sources. The peer-reviewed article is published within three months of receipt. We recommend that the authors carefully check the content and technical aspects of the manuscript before submission

All submitted articles undergo an internal check for compliance with the subject of the journal and the novelty of the results, they are checked for borrowing from open sources, and are peer-reviewed by experts of the journal. We recommend that the authors carefully check the content and technical aspects of the manuscript before submission. Reviews are kept in the editorial office of the journal for 5 years.

All categories of authors pay:

- technical costs (for one publication of an article related to section 5.8. Pedagogy (included in the HAC List) – 10 000 rubles.

- technical cost (per publication) of an article related to section 5.3. Psychology (not included in the HAC List) - 1800 rubles.
